MOBILE SUBSCRIPTION

Easycom For WinDev Mobile TERMS

- This agreement can be settle for a period of one year, renewed by customer agreement. The agreement fee will be paid at subscription.
- It is linked to an AS/400 serial number. It gives you access to dlls for the EASYCOM WinDev Mobile. *This contract is obligatory an extension of a Contract Update of the Easycom For WinDev (WD-MAJ 1).*
- AURA Equipements provides to the subscribers services giving access the subscription of the access Natif Easycom For WinDev Mobile to deploy the applications developed with the software WinDev Mobile. This access includes the technological developments of these specifics dlls.
- AURA Equipements supplies these new dlls by download on its Web site. An access code privileged will be provided by AURA Equipements.
- Also included in this subscription are all dlls relating to **minor evolutions in the WinDev Mobile** software by PC SOFT covered by the publisher's LST Subscription Contract.
(for example : the identification of the new Version of the "7.5" application will be an update of version 7 or 7.0 of the software).
- In order to receive the new dlls of the product, every licence owned by the customer, even on several AS/400, has to be covered by a Maintenance Contract. If no, AURA has the right not to deliver the new releases or versions.

Services included in the Maintenance Contract :

- Software's corrections, when irregularities are detected by users : Customers themselves, our R&D Department, or other Customers,
- Privileged Access to AURA Equipements Website for the download of new release 24h/24.

Services excluded of the Maintenance Contract :

- « Hot Line » support. Customers may contract for « Premium Assistance 3 Hours » separately,
- General support, education, training, development or programming assistance for the use of the software,
- Any service not mentioned specifically hereunder.

These terms are an extension to **Paragraph 23** in the conditions of the "CONTRACT OF USER'S LICENCE FOR THE EASYCOM FOR WINDEV OR EASYCOM FOR WEBDEV" software which are applicable.

The warranties set forth herein are in lieu of all other warranties, expressed or implied, which are hereby disclaimed and excluded by AURA Equipements.

Neither AURA Equipements nor anyone else who has been involved in the creation, production or delivery of this product and services shall be liable for any direct, indirect, consequential or incidental damages (including damages for loss of business profits, business interruption, loss of business information, and the like) arising out of the use or inability to use such product even if AURA Equipements has been advised of the possibility of such damages.

The limited warranty is governed by the laws of France and shall benefit AURA Equipements, its successors and assigns.
